## AI EDTECH TOOL

[mizou.com](https://mizou.com)

## TARGET GROUP

6-99 y.

## TIMING of ACTIVITY

10 minutes

## OBJECTIVE(S)

- Introducing new students and their parents to their new school by asking questions about the school rules.
- Foreign-speaking students and parents can easily access the info about the school rules without mastering the language of the source document."

## DESCRIPTION

- Preparation: upload the documents with the school rules to the Mizou chatbot and provide the link for the users (e.g. on the school website).
- Users (students, parents etc. can ask any question about the school rules in any language, provided the answer can be found in the uploaded documents.

## ASSESSMENT & FEEDBACK

- Immediate feedback through the chatbot.

## TIPS & RESOURCES

- Uploading documents in Mizou is only possible in the paid version.
